Strategic collaboration with

Zayed Higher Organization
for People of Determination

In October 2018, Zayed Higher Organization for People of Determination, with the support of Al Masaood Prestige, launched “*The Design Studio for People of Determination*”. This sewing workshop initiative was created to empower individuals with special abilities by helping them develop production skills and creative talents.

In line with this initiative, ZHO and Al Masaood Prestige proudly produced and distributed 10,000 bags for the Special Olympics World Games 2019, inspiring every delegate who participated in the event. Al Masaood Group (Nissan) was also one of the main sponsors of the Games.

Following the success of this strategic cooperation, a new agreement was signed in June 2019 between ZHO and Al Masood to employ 60 talented individuals from the People of Determination community across Abu Dhabi, Al Ain, and Al Dhafra. These individuals are engaged in tailoring projects such as the production of school, corporate, industrial uniforms and sports apparel.

The agreement was signed by H.E. Mr. Abdullah Al-Humaidan, ZHO Secretary-General, H.E. Mr. Ahmed Rahma Al Masood, Vice Chairman of Al Masood Energy, Mr. Ahmad El Tannir, General Manager, and various Al Masood department heads, all united by a shared goal of empowering both organizations' members through impactful corporate social initiatives that benefit the wider UAE community.
