WHO WE ARE

Founded in May 2013, Al Masaoood Tailoring (formerly known as Al Masaoood Prestige Tailoring) is a faced-paced growing manufacturer and supplier of uniforms, corporate clothing, protective apparels and accessories in the UAE. Headquartered in Abu Dhabi, the company became a subsidiary of Al Masaoood Oil & Gas in 2017.

Since its inception, Al Masaoood Tailoring has been serving and supplying a variety of industries such as Hospitality, Food & Beverage, Automobiles, Healthcare, Education, Oil & Gas and Construction, among others.

With a production capacity of over 20,000 garments per month, the company possesses proficient manufacturing facilities with advanced machinery capable of meeting international quality standards, providing digitizing, customizing and monogramming through entirely computerized procedures.

After four years of existence and continuous progress, Al Masaoood Tailoring made a further move in 2017 by supplying its customers using its newly established tailoring brand - under the name of TORCH - and now covering its entire garment collection.
